Short Description

Economy leather gloves with a split leather palm, fingertip and knuckle guard, denim candy back. One size.

Description

Candy back labourer gloves are an ideal all round hand protection solution for all types of handling work. Featuring a leather palm and candy stripe back made from tough cotton denim, they allow air flow whilst still providing good abrasion protection on site. The chrome leather 3 piece palm, fingers and knuckle bar ensure the areas most susceptible to knocks and scratches are well protected. Ideal for handling wood, metal, brick, blocks, for demolition and general handling, they are an economical and effective work glove.

Features:

- 3 piece palm is gently contoured to the hand
- One size fits most
- Extended candy back denim cuff
- Abrasion protection on palm, fingers and knuckle bar
- Chrome split leather with candy stripe denim for ventilation and comfort
