

Rumble Grid (Easy Move) 4m x 2m

Product Images

Short Description

The Rumble Grid (Easy Move) is a high-performance traffic control solution designed for both temporary and permanent installations. With dimensions of 4 meters in length, 2 meters in width, and 0.16 meters in height, it is engineered to handle heavy-duty applications, supporting axle loads up to 18 tons. Its easy-to-move design ensures quick installation and relocation, making it ideal for dynamic environments requiring flexible traffic management solutions. Durable and robust, the Rumble Grid (Easy Move) effectively enhances road safety by reducing vehicle speeds in high-risk areas.

Description

Specification:

- Rumble Grid (Easy Move) 4m x 2m
- 4m x 2m x 0.16m
- 18T axle loading
