Description

Description & Benefits

Lu Blu is a highly effective antibacterial toilet sanitizer that also serves as a powerful cleaner. It neutralizes and destroys odors at the source, making it an essential product for maintaining hygiene in portable toilets. Lu Blu works with any brand or system type, and is compatible with both fresh and salt water. This makes it perfect for use in motorhomes, caravans, buses, marine environments, camping sites, building sites, and outdoor venues.

- **Antibacterial:** Kills germs and prevents the spread of bacteria.
- **Heavy-duty cleaner and deodorizer:** Removes tough stains and neutralizes odors.
- **Saves water usage:** Efficiently cleans while reducing water consumption.
- **Compatibility:** Works with all brands and system types, including fresh and salt water systems.

Directions for Use

For water-fed toilets, add water at the suggested dosage below to the cleaning holding tanks before adding Lu Blu:

Holding Tank Size	Additional Water	Lu Blu Dose
20L	3-4L	30-40ml
50L	7.5-10L	80-100ml

For recirculating water toilets/systems, use double the Lu Blu dosage.
