

Effervescent Tablets - Hydrate + Vitamin

Product Images

Short Description

Stay hydrated and energised with our Electrolyte Balance Tablets! Sugar, caffeine, and gluten free, these tasty Punch flavour tablets support hydration, muscle function, and energy. With 15 convenient tablets per tube, they're perfect for on-the-go hydration!

Description

Stay at the top of your game with our Electrolyte Balance Tablets, expertly formulated to keep you hydrated and energised. Proudly Australian and registered with the Australian Register of Therapeutic Goods (ARTG) (AUST L: 450026), these tablets are your go-to solution for maintaining optimal body electrolyte levels.

Key Benefits:

- **Sugar, Caffeine, and Gluten Free:** Enjoy worry-free hydration without unwanted additives.
- **Proprietary Electrolyte Formula:** Each tablet is packed with essential Sodium, Potassium, and Magnesium, designed to combat dehydration and restore balance during prolonged exercise.
- **Muscle Support:** Maintain healthy muscle function and reduce cramps, even when dietary intake falls short.
- **Energy Production:** Boost your energy and relieve fatigue, ensuring you stay strong and focused throughout your activities.

Available in a delicious Punch flavour, these tablets are not only effective but also a tasty addition to your hydration routine. Each tube contains 15 convenient tablets, making it easy to stay refreshed on the go.

Whether you're on site, tackling a challenging project, or working long hours outdoors, our Electrolyte Balance Tablets are here to help you thrive. Don't let dehydration hold you back—hydrate, energize, and conquer your day!
