

Reolink Solar Panel 2 6W

Product Images

Short Description

The Reolink Solar Panel 2 provides continuous 6W green power for your wireless cameras, with a weather-resistant design and adjustable 360° mount for optimal sunlight.

Description

Ensure your wireless battery-powered cameras stay charged with the Reolink Solar Panel 2. Delivering a continuous green power supply, this 6W panel is perfect for maintaining camera operation without interruptions. Designed for outdoor use, it boasts an IP65 weather-resistant rating, ensuring reliable performance in various conditions.

The 360° wall mount allows for easy and flexible positioning to capture optimal sunlight, and the included USB-C extension cable ensures a seamless connection. With a voltage of 6.0 and a max current of 960mA, this panel is a dependable power source for your Reolink cameras.

Specifications:

- Voltage: 6.0
- Max Current: 960mA
- Max Power: 6W
- Size: Reolink Solar Panel 2 6W
- Colour: Black
