

Plate Shim - 20mm

Product Images

Short Description

The 20mm Packing Shim (White) levels and stabilises road plates on uneven surfaces, ensuring a secure and smooth installation.

Description

The 20mm Packing Shim (White) is designed to level and stabilise road plates, ensuring a secure fit on uneven surfaces or roads with a crown. Ideal for enhancing the safety and stability of road plates, this shim provides a reliable solution for maintaining a smooth, even surface during installation./p>
