

# Portable Shower

## Product Images

## Short Description

---

This durable, lightweight HDPE Portable Shower is perfect for worksites and outdoor events, offering easy setup and transport.

## Description

---

Perfect for temporary worksites, events, and remote locations, this HDPE Portable Shower offers a practical and sturdy solution for clean, hygienic washing. With dimensions of 115cm x 123cm x 230cm and a lightweight build of 105kg, it's easy to transport and set up. Built from high-quality HDPE material, this unit is designed to withstand outdoor conditions while providing comfort and privacy.

Accessories include a mirror, coat hook, in-use indicator, gender sign, and skid feet for stability. The shower is equipped with a mixer, shower head, and slider for user convenience. Whether it's for a construction site or a camping event, this portable shower guarantees a reliable experience.
