

SGF - Surcharge Grate and Frame

Product Images

Short Description

Light duty surcharge grates and frames, ideal for areas subject to high volumes of stormwater. Manufactured with bolt down legs and a galvanised finish. Fits on on top of Jaybro's precast stormwater pits. Available in a range of sizes in a Light Duty Class B design. Choose the required grate from the drop-down menu below.

Description

The SGF range of light duty raised surcharge grate and frames are perfect for landscaped areas subject to high volumes of storm water. Designed to be lockable and bicycle safe the grates come with bolt down legs to easily fit to the top of Jaybro's precast storm water pits. These surcharge grates are lockable and bicycle safe.

Features:

- Lockable
- Bicycle Safe
