

Loctite 243 Threadlocker 50ml

Product Images

Short Description

Loctite 243 Threadlocker 50ml

Description

Designed for the locking and sealing of threaded fasteners to prevent loosening due to vibration while still allowing for normal disassembly with standard hand tools.

Features:

- Prevents loosening on vibrating assemblies, e.g. pumps, gear boxes or presses
- Works on all metals, including passive substrates e.g. stainless steel, aluminum, plated surfaces
- Proven to tolerate minor contamination by industrial oils, e.g. motor oils, corrosion prevention oils and cutting fluids
- Permits disassembly with hand tools for servicing
